

Know Someone Who is Incarcerated?

Join us each month at the
Family & Friends of the Incarcerated
Puyallup Support Group

*We get together for **confidential** discussions of the challenges families and friends have when someone they care about is incarcerated.*

Share your stories, feelings, and questions with others who truly understand.

- Is someone you know getting ready to transition from prison or jail back into the community? We may be able to answer some of your questions.
- Do you want to better understand our criminal justice system? Occasionally we have attendees from Washington State agencies (Department of Corrections, Youth Services, Attorneys, Counselors, people from the Innocence Project, etc.).

Note: Please feel free to join us even if you do not have a friend or loved one in jail or prison. You are welcome if you have an interest in helping to improve the criminal justice system! We are becoming more focused on how to do that.
